

Welcome to Island Scoop. Our main aim is to make our Ice Cream and Coffee the best on island.

We took over the business in October 2009 and set about **our mission to make great ice cream** . Coupled with a desire to serve **fantastic coffee** we decided to add that to our portfolio. Our Staff are very well trained in the manufacture of **Ice Cream and Sorbet** and by introducing new recipe's and ingredients we started to take the Island Scoop Ice Cream to a new level.

We are located in **Grace Bay Plaza** right below Pizza Pizza, and you will see our van going around the island serving ice cream to everyone.
